---

SELECTED PROJECTS

Personalized Activity Recommendation App | UX Design Coursework | 2026

- Collaborated on a mobile app concept that recommends activities using interests, budget, and social preferences.
- Mapped task flows and sketched wireframes, including an alternative-recommendation experience; beginning Figma work.

Professional Portfolio Website | Web Design Coursework | 2026

- Built a multi-page personal portfolio using HTML and CSS; designed page navigation, layouts, and mobile-friendly styling.

Dance Through the Decades | Web Design Project | 2026

- Designed and developed a website using HTML and CSS, incorporating visual hierarchy, typography, and consistent styling.
- Applied user-centered design principles, emphasizing accessibility through readable text, clear navigation, and thoughtful visual contrast.
- Implemented CSS Flexbox for organized layouts and published the website using GitHub Pages.

EXPERIENCE

Movida at Hotel Madrid | Server, Event Server & Server Assistant | 2026

- Supported restaurant and event service in a fast-paced, team-oriented hospitality setting.
- Communicated with guests and colleagues while balancing multiple service responsibilities.

Water Street Dance Milwaukee | Private Dance Instructor | Jan–May 2024

- Taught private dance lessons to young students, using demonstrations and individualized feedback.
- Adjusted instruction to students' skill levels and learning needs.
